GENERAL SECTT. 6 NOV 1933 L. SG

SIR,

Adverting to your letter No.L.8406-13/M1.275-32 dated the 24th June 1933 calling for a report of action taken to give effect to the Mysore Amusements Tax Regulation in this District, I have the honour to state as follows:-

(1) The provisions of the Regulation have been extended by Government only to the Chikmagalur town in this District. There are no places, either prominent or otherwise, of permanent entertainment in the town. It is only in the fair weather that some dramatic companies and circus troupes visit the place.

(2) Instructions have, however, been issued to the Police, and the Magistracy in the town, to keep me informed of any entertainment that might be held in the town and to draw the attention of the proprietors thereof to the tax due when they apply for licenses.

(3) The question of the appointment of vendors for the sale of the Amusement tax stamps does not arise, in view of the instructions of Government conveyed in letter No.F1.6879-88/St. dated the 28th June 1933 from the Secretary to Government, Development Department.

(4) The District Superintendent of Police, Kadur District has been authorised to make inspections under Section 11 of the Regulation and for the purposes of Rule 20 of the Rules framed thereunder.

(5) As there are no permanent entertainments in the Chikmagalur

Chikmagalur town at present, no action could rules 5 and 19 of the Rules issued under the Regulation Whenever any new entertainment visits the town, needful action under the aforesaid rules will be taken. It might be mentioned here that I am considering as to what returns have to be prescribed under rule 5 of the Rules.

(6) As regards maintenance of accounts of receipts and expenditure, there does not appear to be any necessity to maintain special accounts, as at present it is only one town in this District to which the provisions of the Regulation have been extended. The value of stamps sold at the Treasury and the amount of the tax realised in cash and credited to a separate head of account in the Treasury under XIII Miscellaneous, represent the receipts for the said local area. The account of expenditure will have to be maintained only on receipt of orders of Government apportioning the proceeds of the tax, under Sec. 14 of the Regulation, between Government and the Chikmagalur Municipal Council.

2. The necessary stock of the Amusements tax stamps has been obtained and kept in the Kadur District Treasury, for issue on indents from Proprietors of amusements that might visit the town.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Kadur District.
